

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

UNITED STATES OF AMERICA,
Plaintiff,

Case No. 2:13-CR-00340-JCM-VCF

ORDER

V.

David Pak,

Defendant

On March 27, 2019, defendant David Pak requested, through his attorney Kathern Newman, early termination of supervised release at a status conference. Mr. Pak has been on supervised release since November 3, 2016. His supervision is scheduled to expire on November 2, 2019. Mr. Pak has been successful on supervision with the exception of positive marijuana tests submitted between March through August 2018.

At this time, neither the government nor the probation office oppose the request for early termination.

The Court is satisfied that the defendant's history and success on supervised release over the past two year, all weight in favor of early termination.

Accordingly, IT IS HEREBY ORDERED that the defendant's oral motion for early termination of supervised release is granted.

Dated April 25, 2019.
